2. There shall be a total of **100 seedlings** as replacements for the tree/s to be cut pursuant to DENR Memorandum Order No. 2012-02 otherwise known as the “**Uniform Replacement Ratio for Cut or Relocated Trees**”. Said replacements shall be composed of 70% hardened indigenous seedlings and 30% ornamental plants. That the permittee shall coordinate with the Chief, Conservation and Development Division (CDD) or his/her duly authorized representative with Telephone No. **0920-979-5920 loc 2413** on the kind of species as may be required by DENR-NCR for Urban Greening/Landscaping and shall inform the same one (1) day before the scheduled delivery of seedlings;
3. Prior to the tree-cutting operation the replacement seedlings/plants shall be delivered at DENR-NCR Production Nursery located along North Avenue, Quezon City. A Certification Fee of P50.00 shall be paid by the permittee for the Certificate of Compliance to be issued, duly signed by the Chief, Conservation and Development Division, copy furnished the undersigned;
4. The permittee shall pay the forest charges for the naturally grown tree to be determined after the conduct of tree cutting pursuant to DENR Administrative Order No. 2021-11 known as the “**Guidelines in the Processing and Issuance of Permits for the Cutting, Removal and Relocation of Naturally Growing Trees**”;
5. A billboard with a dimension of 4’ x 8’ shall be installed conspicuously within the area to inform the public that the cutting operation thereat is covered with a permit issued by DENR. Such notice of particulars shall indicate the name of the permittee and the purpose of the activities to be undertaken. Likewise, the Barangay concerned shall be furnished with a copy of the permit prior to the said operation;

- 6. The permittee shall immediately coordinate with the Chief, Enforcement Division or the duly authorized representative with office address located at DENR Production Nursery Compound, North Avenue, Diliman, Quezon City with Telephone No. **0920-973-0301 loc 4206** upon receipt of the permit for the proper scheduling of the said operation which is under the direct supervision of this Office;
- 7. In accordance with the issued Environmental Compliance Certificate (ECC), the permittee YES
- 8. The permittee shall incorporate greening component immediately upon project completion and submit a report with pictures to this Office through the Conservation and Development Division;
- 9. The permittee shall secure the services of a firm/person(s) with appropriate expertise and experience to ensure the safety of lives and properties;
- 10. Only chainsaw/s with Certificate of Registration from DENR shall be used in the conduct of the cutting operation;
- 11. The DENR shall not be held responsible for any untoward incident that might occur during the cutting operation. Issues that may arise from said activity shall be addressed directly and solely by the permittee;
- 12. The permittee shall be required to undertake measures during and after the cutting operation to mitigate the negative impacts of the said activity within the locality and on the environment;
- 13. The derivable wood materials to be recovered from the cut tree shall belong to the landowner. In case the wood materials will be transported by the permittee outside Metro Manila, the same shall be covered by transport documents issued by the DENR;
- 14. If necessary, the permittee shall file an extension of the permit issued ten (10) days prior to its expiry date. Otherwise, he/she shall be required to apply for a new permit and submit another set of requirements;
- 15. A terminal report with pictures shall be submitted to this Office after the expiration of this permit or upon completion of the cutting operation, whichever comes first;
- 16. Violation of any of the above conditions shall be sufficient ground for the cancellation/revocation of this permit, without prejudice to the imposition of penalties of imprisonment and/or fine, under Presidential Decree Nos. 705 as amended (Revised Forestry Code) and/or 953 (Requiring the Planting of Trees in Certain Places and Penalizing Unauthorized Cutting) and/ or Republic Act No. 9175 (Chainsaw Act and their implementing rules and regulations); and
- 17. This permit has a validity of 50 days upon release hereof or upon completion of the earth-balling operation, whichever comes first.

For strict compliance.
